HYDERABAD: Greater Hyderabad Municipal Corporation (GHMC) commissioner Somesh Kumar has directed officials of Hyderabad Metro Rail (HMR), Roads and Buildings (R&B) and National Highways to propose works for the overall development of 150-km road stretches which includes major tourism attractions, shopping area, the venue for Metropolis and accommodation of delegates.

The commissioner held a review meeting on arrangements to be made for the 'Metropolis World Congress' with all heads of departments on Thursday.

The commissioner directed them to send proposals which envision roads with a smooth ride as per international standards.

Kumar asked the urban biodiversity wing officials of GHMC to renew all works which were basically taken up for COP-11 and develop the 125-kilometre main stretch with seasonal flowering plants. He further directed the UBD officials to come up with some more new proposals of fountains at important locations.
